Cookies

A cookie is a small text file that is stored on your computer, tablet or smartphone when you first visit this website. You can opt out of these cookies by setting your internet browser in such a way that it does not store cookies anymore. In addition, you can also delete all information previously saved via the settings of your browser.

We use the following cookies:

- **Functional cookies:** these are cookies that are necessary for the technical operation of the website and your ease of use. They ensure that the website works properly and remembers, for example, your preferences. We can also optimize our website with this. These are analytical cookies that do not infringe your privacy for which we do not require prior permission from you.

View, correct or delete

You have the right to view, correct or delete your personal data. You also have the right to withdraw your consent to data processing or to object to the processing of your personal data. You have the right to data portability if we have digital personal data that we process with your permission or process to execute an agreement that we have concluded with you.

This means that you can submit a request to us to send your digital personal data that we keep in a readable computer file to you or another organization mentioned by you.

You can send a request for inspection, correction, deletion, data transfer of your personal data or request for cancellation of your consent or objection to the processing of your personal data. You can do so by contacting us.

To ensure that the request for access has been made by you, we ask you to send a copy of your ID with the request. Make your passport photo, MRZ (machine readable zone, the strip with numbers at the bottom of the passport), passport number and citizen service number (BSN) black in this copy. This is to protect your privacy. We respond as quickly as possible, but within four weeks, at your request.

We would also like to point out that you have the opportunity to file a complaint with the national supervisory authority, the Dutch Data Protection Authority.

Contact

We take the protection of your data seriously and take appropriate measures to prevent misuse, loss, unauthorized access, unwanted disclosure and unauthorized modification. If you have the impression that your data is not properly secured or there are indications of abuse, please contact us.
